Subject: Offering Letter for New Distributor

Dear David,

It was a pleasure to meet with you and your team at the Nepcon Shanghai Exhibition to discuss our future business partnership pertaining to the Techcon Systems Fluid dispensing product ranges. We were impressed with your presentation and believe DeTech is the right fit to sell Techcon Systems products.

It is my pleasure to appoint DeTech to be an authorized distributor for OK International to sell Techcon Systems products within the boundaries of China, starting May 18, 2009.

I have included the new price sheet in US dollar, along with terms of sale for your review. I will need you to identify a freight forwarder for goods collection in the USA.
